Abel Guapulema

Software engineer and technology advisor

I design, build and maintain web platforms, management systems and integrations. I work from Ecuador with public institutions, healthcare, businesses and nonprofits.

EXPERIENCE

2025 TO PRESENT
WordPress and Salesforce CRM Developer
Laudato Si' Movement
I maintain the platform, improve performance and security, build Salesforce integrations and work with communications on landing pages and campaigns.

2024 TO 2025
PHP Website Administrator
Love On Foundation
I managed and maintained the foundation's website, its daily operation, content and features.

Software Developer and WordPress Administrator
Healthcare sector
I developed operational systems with C#, .NET, SQL Server and Angular. I administered the hospital's WordPress site and supported the security of its systems and data.

EDUCATION

Master's in Data Science
Escuela Superior Politécnica de Chimborazo (ESPOCH)
IN PROGRESS

Software Engineering Degree
Escuela Superior Politécnica de Chimborazo (ESPOCH)
